

Bullfrog Marina Campground

Location: Bullfrog Marina
Campground Type: Developed

Bullfrog Marina Campground is located at Bullfrog Marina a few hundred yards from the launch ramp. The campground has 78 sites, each with concrete parking pad, picnic table, fire pit, barbeque grill and suitable area for tents. In addition, the campground has rest-rooms with running water, fishing clean-out station, potable water and public telephone. Healthy trees are located around each site giving shade and some privacy. Being located close to the launch ramp gives quick access to sending your boat or personal watercraft to / from the lake. Hobie Cat Beach and Stanton Creek beach / cove area are both within a short distance of the launch ramp providing easy day use opportunities. Boat or personal watercraft trailers can be left at the main parking area near the launch ramp which is a short walk from the campground. There is an RV dump / pump station adjacent to the campground.
