

Bullfrog RV Park

Location: Bullfrog Marina
Campground Type: Developed

Bullfrog RV Park is located adjacent to Bullfrog Marina within 1/2 mile of the launch ramp and other services near the lake. The park offers 20 pull through spaces and 4 back in spaces for RV's. All spaces can accommodate 50' RV's and include full hook up: 30 amp power supply, water, sewer, charcoal grill and picnic table. The park has restrooms and showers for guest use. The RV Park is 30 years old, does show its age and lacks trees for shade. If you can handle no reservations or hookups, try the Bullfrog Campground located 1/2 mile away—it's in much better condition and offers shade. Pets are allowed on leash.
